Republican Women of Anderson County E-Newsletter Jan. 2009

Valentines

for our adopted soldiers.

Last November we sent Christmas packages to a few Troops serving overseas.

They loved it!

A few comments from our troops!

*From **CPT Charles Ward** ... Your thoughtful gift box was greatly appreciated. ... the soldiers in CC 3-7 CAV send their thanks.*

*From **PFC Daniel Bennett**I just felt compelled to drop a line and express my deepest gratitude for your support as well as the accompanying gifts you sent...Thank you & Semper Fidelis.*

*And from **PFC Robert Jones** (Baghdad) Today I received one of the best presents of this Christmas. I truly and deeply thank you for all you do.... Thank you and Merry Christmas!*

We have adopted a few good men to keep in touch with throughout the year. If you would like to send out a few valentines and drop a few treats in their packages— please join us Friday night to get this all wrapped up.
